Dakota Lithium's dual purpose BMS technology also provides

Built tough, this 12V 25Ah lithium battery delivers impressive power. Featuring Lithium Iron Phosphate (LiFePO4) technology, it offers double the power, half

Pair this battery with Dakota Lithium chargers or 12V inverters for a complete, high-efficiency power ecosystem. Whether starting small engines, powering marine accessories, or storing solar energy,

The Dakota Lithium+ 12V 25Ah battery is the ultimate power source for your adventures, offering 300CCA of engine starting power and a dual-purpose design that handles both deep cycle and

Dakota Lithium's dual purpose BMS technology also provides 300cca of engine starting power for use in ATVs, UTVs, lawn tractors, generators, and other small gasoline engines. Same deep cycle

Dakota Lithium DL+ 12V 25AH Lithium Battery Half the weight and twice the power of traditional lead batteries, this workhorse powers premium electronics for full

This 12V 25Ah lithium battery combines Dakota's rugged engineering with advanced LiFePO4 chemistry for dual-purpose performance. Delivering 300 CCA of starting power and 25 amp-hours of capacity, it

The Dakota Lithium Lithium+ 12V 25Ah 300CCA Battery offers a big punch in a compact package. Utilizing the legendary lithium iron phosphate cells (LiFePO4)
