Growatt Automation with Solar Assistant and Home Assistant: Flickering LED lights are a PITA but IF ONLY using this inverter for backup (sure other cheap inverters are the same), there is

Hello. SPF5000ES ShineWifi - F SHORT: I removed the device from the device list, now I can't use the datalogger, it tells me that it already exists. <https://oss.growatt> How can I do to use

Hi. I had a solar system installed in November, everything has been working great, been really happy with it. I have a 5kw Growatt inverter with a 6.5kw Growatt battery. For the past 2 days

Hi, I have a Growatt 5000 ES installed and I recently purchased a LI battery (of a different brand) which hasn't arrived yet. So the inverter is not connected to a battery at the moment. When

Is there a way to change the data reporting interval of the wifi dongle from 5 minutes to 1 minute? Without having to reset the dongle to its own wifi and doing it on the "initialization" setup?

Hi all. The past 2 days my Shinephone app for my 7.4kW home Growatt solar system keeps giving me a network timeout message. I checked the dongle on the inverter and it is flashing

My solar system has 2 Growatt grid tied inverters, a 6kw and a 10kw. They have been working flawlessly for 2 months, then yesterday, the 10kw inverter (model min 10000TL-xh-us) just

from updated Growatt user manual spf-4-6k-dvm, no warning 61 in old manual Thought I would share this, haven't seen it posted anywhere. Upgraded SPF-6000T-DVM 6k all in one's control

Why are there different "brands" of Growatt all in ones? Is there a comparison of all in ones? I am tempted by the new Renology unit. Out of stock!

## Growatt obsługa posprzedażowa falownika fotowoltaicznego

1 x Growatt SPF 5000TL HVM 5kVA/5kW Hybrid Inverter. 2 x Pylontech US3000 batteries. 1 x Pylontech cable kit with RJ45 BMS comms cable included. I've just spent 5 days communicating
